## ST. CLOUD WELCOMES YOU!

### SEVENTY-FIVE AUTOMOBILES WANTED

The Entertainment Committee of the St. Cloud Ten Thousand Club has undertaken to provide an automobile trip for the delegates and visitors expected to be in attendance on the G. A. R. encampment and W. R. C. convention, the trip to be made on the afternoon of March 30.

To make this trip successful there will be required 75 automobiles, furnished by the citizens who desire to cooperate to make these plans succeed. Persons owning cars are requested to list them with the committee at once, stating what kind of car, and how many passengers can be carried on the trip. Please report this matter to J. H. Ferguson, chairman of the committee of five chairmen, every member of the Ten Thousand Club being members of this entertainment committee.

### CITY ELECTION TO BE HELD TUESDAY.

### TWO MEMBERS OF COUNCIL, A MAYOR AND TWO BOND TRUSTEES TO BE VOTED FOR

Tuesday, March 30, the voters of St. Cloud will elect a mayor for one year, a clerk and tax collector for two years, a city assessor for two years and two members of the city bond trustees.

The campaign has been quiet this year, although there are three candidates for the office of clerk and tax collector, and four for city tax assessor, and two each for the two bond trustees' places and for mayor.

The corrected list of voters qualified to vote in the city election is published elsewhere in this issue, the list being compiled from the city registration books up to the date of closing as required by law, and shows something over four hundred qualified voters.

It is thought the city election will be very quiet Tuesday, one thing detracting from the usual contests being the meeting here on the same date of the Grand Army and W. R. C. of Florida for a two-day session.

Announcements of the various candidates appear in the advertising columns of this issue of the Tribune.

### STATE ROAD DEPARTMENT TO AID ON COUNTY ROAD

As a result of the visit of the delegations from the St. Cloud Ten Thousand Club, the Kissimmee Board of Trade and Melbourne representatives, the State Highway Department Wednesday made an appropriation to continue the work on the St. Cloud-Melbourne road when the contractor completes the work now under way and the funds now on hand in the county are exhausted. This step was taken in keeping with promises of co-operation made some time ago by the department, and the visit of the delegations Wednesday to lay the matter before the commissioners and urge them to take charge of the work at once, as the contractor now on the job was expected to complete all the work the county funds would pay for in the next two weeks. This the department consented to do, and Major Brown, chief engineer of the department, started instructions to his field men to make preparations to lay a rock base as soon as materials could be obtained.

Today Commissioner A. F. Bass was in conference with other members of the county commissioners, in an effort to obtain another appropriation of something like \$6,800 to lay asphalt over what base is now on the road and for which the original funds did not have enough to cover. It is thought this additional 6,000 feet of asphalt will be laid at once.

### "OTHER PEOPLES" BUSINESS REPLY TO TRIBUNE ADV.

Regarding a recent article in the Tribune about PRIVATE BUSINESS at the City Hall, I desire to make the following statement:

The only private business that has been conducted at the City Hall has been that of dealing with Electrical Appliances. All of the responsibility and uncertainty pertaining to such a stock in a small city, has been assumed by Mr. Kenney and financed by him personally.

At the present time the power plant can furnish much more current than is being consumed, and at NO INCREASE OF EXPENSE. Every appliance sold and used, therefore, furnishes the city with a NET REVENUE, which in the course of one year amounts to a number of dollars.

This statement is made to correct any wrong impression which might be received from the article mentioned.

Yours truly,  
JOHN B. COLLINS

## VETERANS OF '61 TO '65 AND LADIES OF W. R. C.

### MISS WARNER ENTERTAINED

Mrs. F. E. Williams entertained Miss Jane Warner and her Sunday school class of young ladies at her home on New York avenue on Monday afternoon from 4 to 6. The time was spent enjoying games and music.

Refreshments of sandwiches, cake and ice cream were served by Mrs. Williams, assisted by Mrs. F. B. Shannon and Mae Williams.

Those present were: Irene Low, Grace and Pearl Hickman, Mabel Tyndall, Bertha McClelland, Mae Williams.

Mr. Charles F. Kherson was guest of honor.

### LUNCH FOR MISS COREY

Last Wednesday evening a party was given at the home of Mrs. Sam Brammar in honor of Miss Emory Corey. Games of all sorts were played, after which a dainty lunch of cake and punch were served. After the refreshments the crowd gathered around the piano and sang for a while. Those present were as follows: Bessie, Annie and Katherine Farr, Beula Cathcart, Otis Bass, Mona Searles and Emory Corey; Messrs. Joe Cathcart, Bill Hettlinger, Sam Brammar and Lillburn Godwin.

Mrs. Gilbert and Mrs. Brammar were hostesses.

### INTER CHURCH WORLD MOVEMENT STATE MEETING

#### Held at Jacksonville, Florida

The following pastors from St. Cloud were in attendance: Rev. Wm. Westover (Episcopal); Rev. William Landis (Methodist); and Rev. J. T. W. Stewart (Presbyterian). Also Mrs. J. T. W. Stewart, vice president of the Women's Presbyterian Missionary Society of Florida, and Miss Johnson, who was sent by the Ladies' Missionary society of the local Methodist church. The meeting began Monday, March 15, and lasted until 3 o'clock Wednesday afternoon. Most of the denominations in the state were represented and it was an object lesson in co-operation—the supreme thing in this movement among evangelical churches, represents and is intended to cultivate and promote.

The next step will be the calling of county conferences representing all the denominations of the county which are willing to co-operate.

Never before have representatives of the various evangelical churches been called to meet together in county conferences to consider plans for unified efforts to achieve common purposes. The call issued by the Inter-church movement in approximately 3,000 counties in the United States.

Results of a preliminary world survey of after-war conditions in both foreign and home mission fields are presented for consideration and discussion at each conference. Such presentation is the result of co-operative effort by official boards and agencies of the denominations engaged in the Movement to visualize the world's needs. A World Survey Conference of denominational leaders at Atlantic City in January took the facts already revealed by the Survey as the basis for endorsing Interchurch Movement plans for meeting the needs. Speakers at each county conference present these plans for not only rallying leaders but suggesting ways and means to mobilize all the resources of the churches—spiritual, personal and material—in a co-operative forward movement.

This movement has already borne fruit in St. Cloud, for it was under the stimulus of this movement that led the Ministerial Association of St. Cloud to broaden the purpose of its organization as follows:

Resolved that the purpose of this Ministerial Association shall be to express (in its organized capacity) the spiritual unity that exists between all the churches represented and to aid in the fullest possible cooperation in the Lord's work. That in the meetings of the Association topics are to be discussed which will be mutually helpful to its members—and which will advance the Kingdom of Our Common Lord and Saviour, in our individual ecclesiastical, social and civic life.

The needs of the world at home and abroad calls upon Evangelical Christianity to present a united front which the world can not gainsay.

REV. J. T. W. STEWART,  
Secretary Ministerial Association.

**"ENCORE" PICNIC OF NEW ENGLAND SOCIETY**

The "Encore" picnic given by the New England society on Wednesday, the 24th, at the Shaker Colony, was another big success, about two hundred persons being present. The day opened somewhat cloudy, but soon the sun came out, warming the atmosphere and bringing out the beauties of Live Oak lake and the surrounding country. The drum corps made things lively and soon several sets were formed for quadrilles, which made me think of old times at the picnics in the Northland. The Virginia reel an old-time favorite, was also danced on the green lawn. Violin, harmonica and mandolin did their share towards keeping feet tapping and making those who couldn't dance wish they could do so. Boating was enjoyed by some of the younger people and they made a pretty picture in their white dresses, on the lake with the blue water, pine trees and blue sky for a background. At 12 everyone sat down to a bountiful dinner, which they were all hungry enough to partake of. Fortune telling by cards helped to while away the time as did an elaborate program prepared for the occasion. Mr. McGrath had charge of the program and the following participated:

Rev. Mr. Brown, Elder Stewart, Brother Egbert, Mr. McGrath, Mr. Wentworth made remarks, also Mr. Farman.

Miss Edith Gray, recitation, Encored.

Miss Helen Daggett, violin solo, Encored.

Miss Smith, recitation, Encored.

Miss Ethel Mann, solo, Encored.

Mr. Sill, recitation, Encored.

Drum Corps, selection.

Miss Jane Warner, solo, Encored.

Mrs. Hills, recitation, Encored.

Mr. Kenhorn, recitation, Encored.

The party broke up about 4, and we all wended our way homeward with many a backward look at the Colony that we were fast leaving, and thanking the members for allowing us to have a picnic in their charming place, also for their courtesy and hospitality to us all. The New England society thanks them, one and all, and hopes some time in the future it may be our privilege to return this kindness. So ends the "Encore" picnic with thanks to all who made it a success.

**HON. J. L. OVERSTREET**  
Candidate for Re-election as Circuit Court Clerk, Osceola County, in the Democratic Primary, June 8th.

**VISITORS' REGISTER FOR G. A. R. AND W. R. C. AT TRIBUNE OFFICE**

In order to secure the names of all delegates and visitors to the State Encampment of the Grand Army of the Republic and the State Convention of the Woman's Relief Corps, who will be in St. Cloud on March 29, 30 and 31, the Tribune has provided a register at this office, where all delegates and visitors are requested to enter their names, addresses and the name of the organization they represent. These names are desired for publication in connection with the reports of both sessions.

Book will be open Monday morning, March 29, at this office.

**TEN THOUSAND CLUB SENT REPRESENTATIVE TO OCALA**

There was a special meeting of the St. Cloud Ten Thousand club Monday evening to hear reports from the various committees on the G. A. R. and W. R. C. entertainments being planned for next week, and at the session a report was made that the State Highway Department would meet at Ocala on Wednesday, and it was decided to send a representative from the club to that meeting.

C. F. Johnson, secretary, and Sam Brammar, chairman of the Lookout Committee of the club, went to Ocala Wednesday in company with J. E. Krasne of Runnymede and a delegation from Kissimmee, and on arrival found a large number of representatives from Melbourne, who had made the trip to help out on the east road propositions before the commission.

Committees of the club reported everything in readiness for the various affairs of next week. The meeting next Monday will be short in order that the members may participate in the meetings of the various organizations that will hold forth the first of the week.

**PORTER ACTS QUICK**

Justice of the Peace S. W. Porter had a case of desecration of the flag reported to him this week, and promptly arrested the enemy alien, taking him to the county court house in an effort to have proper punishment given, but found that such cases must be handled by the district attorney at Tampa and was compelled to release the accused until the matter could be reached through proper channels. The case was one of open insult by a man who was young enough to know what he was doing, and one whose reputation in other states is said to have proven him to be an enemy alien. Because of the red tape that is necessary to reach the federal officials in such cases it may be that the culprit will flee to other parts before action is taken. Mr. Porter, accompanied by Marshal Cathcart, were not slow to do what they thought their duty in the matter.

Some red-blooded American may not be content to wait for the federal court to act in this matter.

**ONLY ONE EX-SOLDIER CANDIDATE**

Elmer Ide, who is a candidate for city tax assessor and member of the city council in the city election to be held next Tuesday, is the only man running for office that is an ex-soldier of the world war. Mr. Ide answered the call of his country and was sent to France, where he saw several months' service before the signing of the armistice. Mr. Ide was urged to run for office by his friends who desired to see the returned soldiers take their places in public life. Mr. Ide is associated with his father in the grocery business and has not made a strong campaign, but says he will strive to give the city good service if the voters put him in office Tuesday.

**METHODIST NOTES.**

The Tourist Special was a success. Next Sunday will be Veterans' day. The Woman's Home Missionary society will meet in the Annex Thursday, April 1, at 2:30 p. m.

The mid-week service Wednesday evening will be a preparation for the Easter time. Personal Evangelism will be the subject we are to consider.

Program for Sunday is as follows:

Sunday school at 9:30 a. m.

Prayer services at 10:45 a. m.

Junior League 3 p. m.

Senior League 6:30 p. m.

Class meeting 6:30 p. m.

Evening services 7:30 p. m.

Mr. and Mrs. A. J. Allen will leave Monday for Conhunkok, R. I., after spending several days in the city, stopping at The Haven. They intend to return early next season for the winter months. Mr. Allen will keep in touch with St. Cloud through the columns of the Tribune during his stay in the north.

## IOWA ASSOCIATION

The Iowa association met on the 18th inst., in the Memorial hall, for their monthly meeting. President C. W. Morrison in the chair. Called to order and opened with the usual form. Secretary and Treasurer's report were read and approved. Eight new members were added and paid the regular dues, also several ladies' names were recorded.

The Secretary and Treasurer resigned and will soon go north. Mrs. Silas Cooke was chosen to fill the vacancy. Motion made and supported that we extend a vote of thanks to Mrs. L. Goodell for her services the past three winters. A vote of thanks to the drum corps for the music furnished, was taken, followed by discussion regarding the inviting of all Illinoisans to join with us and a committee appointed to confer with the Hoosier folks and find out if they, too, would join and make the "three in one."

The next meeting to be held in the old hall for a dinner on the 15th of April, the third Thursday. Mrs. Dye, Mrs. Phelps and Mrs. French were appointed a committee on dinner for that day, "to be the best ever."

Several present from the Sucker state, and it is hoped that many will become interested and attend the gatherings hereafter.

Business over, a short program was rendered. Owing to so much going on there was not a large attendance present. Comrade Rankin was in charge of the program. Miss Nina Cary recited very nicely in her usual pleasant way.

N. Dye read Life in California. Mrs. Silas Cooke, Prayer and Potatoes.

Mr. Vance read a poem, A Dead Soldier to America, followed by a talk of the early days of the state.

Rev. Cooke told us many interesting things concerning the two greatest of agricultural states, Illinois and Iowa.

Comrade Rankin read several extracts of noted events, and Comrade Phelps and Fuller gave a good talk on interesting topics.

Moved to adjourn.  
MRS. LEVI GOODELL,  
Secretary and Treasurer.

## SPEND DAY AT BEACH

Last Sunday morning a party of young people left St. Cloud to spend the day at the beach at Melbourne. They arrived at the beach about 12:30, and, as everybody was hungry, they at once began to prepare lunch which the ladies of the party had brought along. After this bountiful repast was over some time was spent strolling up the beach and taking pictures. After that they decided to take a swim, so everyone made a quick change to bathing suits and spent about two hours enjoying the breakers. The weather

## CARSON HEADS CATTLE-MEN CONVENTION ENDS

Bartow Selected for Next Meeting—Northern Tells of Wonderful Opportunities Here

Tampa, March 27.—With a seven-hour session of the executive committee, the Cattle Raisers of Florida brought its first annual convention to a close Thursday afternoon.

The morning was taken up with the reports of the various committees. The association went on record as against the passage of a state-wide no-fence law at this time, but also stated unqualifiedly that it is not in sympathy with fence cutting or other unlawful tactics, and adopted unanimously a resolution to pay a reward of \$250 for the arrest and conviction of anyone who would so destroy another's property.

The thanks of the association was tendered to the mayor and officials and citizens of Tampa for their kindness during its stay and also to the newspapers for their generous contribution of space in their columns to the reports of the sessions which the association believes will do much good in bringing the objects and aims favorably before the public.

Another matter on which action was taken, was to endeavor to have the State Livestock Board so changed by legislative action that it will comprise three practical stockmen instead of being composed as at present of three members of the governor's cabinet.

William Robinson of Indiana, a cattle man of the North, was present as a visitor and told the members that this was his first visit to Florida but would not be his last, as he was simply dumbfounded with the opportunities Florida presented for cattle raising and that he would eventually come here if possible and engage in the business.

The election of officers resulted as follows:

Charles Carson, Jr., president; H. J. Moody, vice president; J. J. Logan, second vice president; F. N. Burt, treasurer; Pat Johnson, secretary.

Executive Committee: R. W. Duplop, Frank Raulerson, G. Murphy, George W. Mann, H. T. Lykes, T. B. King, McQueen Chaires, Sam Summerlin, John M. Scott, C. G. Smith, W. F. Ward, M. Crews, A. L. Jackson, Chas. Crum, J. S. Hancock.

Bartow was selected as the place for the next meeting after which the meeting adjourned and the members started for their homes.

## PRESBYTERIAN NEWS

The pastor and his wife were in Jacksonville from Monday, March 15th, until Thursday, attending the Inter-Church meeting. Mrs. Stewart gave, last Sunday evening, a talk on Facts, presented at the Inter-Church meeting, which showed the trend of the movement.

This week the church is holding group prayer services in different sections of the city. Monday at Dr. Cook's, Tuesday at Rev. Brand's, Wednesday at the church, Thursday at Mr. Kibbe's, Friday at Mr. Robert Ellis. All at 7 p. m.

Next week, beginning March 28, is evangelistic week. Wednesday, Thursday, Friday and Saturday evenings there will be evangelistic services in the church, beginning at 7 p. m. All are given a cordial invitation to attend these meetings.

On Easter Sunday, April 4th, which follows the evangelistic preparatory services, the communion will be held, at which time any who may come by letter or on confession of faith will be welcomed into the church to take a part with us in the services of the Lord.

The Easter Sunday evening hour will be a song service prepared by the choir and presenting the great Easter event in song. Let us make it an expression of our gratitude to God for the resurrection which seals and makes sure all God's gracious promises, all the glorious facts set before us in Christianity.

Sunday the pastor will speak both morning and evening. Morning subject, "The Life of Promise." Evening subject, "The Shut Door." Hour, 10:45 a. m. and 7 p. m.

## VETERANS' ASSOCIATION

The Veterans' association met in the G. A. R. hall on Saturday, March 20, 1920, at 2 p. m., President Kenney presiding.

The meeting was opened by singing America, followed by a prayer by the chaplain, Rev. Westcott.

Mrs. Worrell is to have charge of the social hour March 27, 1920.

The announcements were read and approved.

President Kenney auctioned off a beautiful piece of fancy work for the hall fund.

The St. Cloud yell was given by all and the collection taken up.

The meeting was then turned over to Mrs. E. W. Morgan, who had charge of the social hour.

## A MUSICAL AFTERNOON IN HONOR OF MRS. KATHERINE HOWARD-WARD

(Contributed)

Those who were fortunate in being guests at the home of Miss Jessie Lynde Hopkins on Thursday afternoon will surely never forget the rare charm of their entertainment. The program was given by Miss Hopkins and her guest from Chicago Mrs. Katherine Howard-Ward. Fame has come to Mrs. Ward through her complete mastery of the most difficult of instruments the pipe organ and she is named the finest woman organist in the United States. It is exceptional that one who has reached the pinnacle of success in this line should also be completely at ease at the piano. Mrs. Ward has proved the exception. Her accompaniments were delightful. Of her piano numbers in the MacDowell group the spirit of the composer seemed to hover over her rendition of his music pictures always so subtle and elusive. The interpretation of "The Eagle" was beautiful and at the end of a difficult program the brilliant "Concert Etude" left her hearers breathless and amazed.

Miss Hopkins is an artist by nature and training. Given a contralto voice of depth and facile scope nature has generously endowed her with emotional temperament and that sympathetic imagination without which no musician can become truly great. She is able to impress upon her hearers the inner soul of her music, her perfect enunciation and mastery of tonal effect, give complete understanding in her art of interpretation. The "Spring Song of the Robin Woman," from the Caucasian Opera of Shewanis, carried this effect to emotional heights. Personally, the "Night and Dawn" and "Sons les Orangers," were gems which Miss Hopkins gave most exquisite settings. And our hearts danced with her through the sparkling "Love is Meant to Make Us Glad," with its laughing, lilted accompaniment.

After the music Miss Hopkins and Mrs. Ward held an informal reception, during which dainty refreshments were served.

Among the guests from out of town were many of Miss Hopkins' personal friends and acquaintances from Kissimmee.

## APPRECIATES ENTERTAINMENT AT OLD-TIME DANCE GIVEN

St. Cloud, Mar. 20, 1920.

Editor Tribune:—We, the tourists of St. Cloud, through your valuable paper, wish to thank Mrs. E. F. Mann and her able assistants for the enjoyable time we had at her Old Folks dance last Wednesday night. It certainly was enjoyed by all. We understand Mrs. Mann is a teacher of the old style dancing and is seriously thinking of starting a dancing school here, teaching only old-style dancing. We sincerely hope this is so, as we will be assured of a pleasant season next year under her able management. Yours truly, with best wishes for your city,

## JENNINGS PREVATT ANNOUNCES FOR COUNTY TAX ASSESSOR

There appears in this issue the formal announcement of Jennings Prevatt, as a candidate for County Tax Assessor. Mr. Jennings is the junior son of the late C. F. Prevatt, who was at one time the sheriff of Osceola county, and is probably well and favorably known to more of the older residents of the county than many other young men who reside here.

Mr. Prevatt was a member of the American army and saw active service in France during the European war, being attached to Field Re-mount Squadron No. 311, which was trained at Camp Hill, Va., and was transported to France on August 14th, 1917. He was one, if not the very last Osceola county boy to return home from France, who entered the war. He held the rank of First Sergeant.

He states that he has been persistently urged and encouraged to make the race by some of the oldest residents in the county, as well as many others. He is a young man of bright intellect and well equipped to fill the office to which he aspires.

## CHRISTIANIZED FOREIGNERS PROVE LOYAL TO FLAG OF UNITED STATES

SOUTHERN BAPTISTS FIND THAT NO EVANGELIZED PERSON FROM OTHER COUNTRIES HAS PROVED TRAITOR TO HIS ADOPTED LAND—LARGE WORK IS BEING DONE AMONG THEM.

A group of large boys of foreign parentage reached and made happy by a Baptist Good Will Center.

Patriotism and religion go hand in hand in the work which Southern Baptists are doing for the foreigners in their midst, declare the several workers in this field who have found that wherever a man, woman or child of foreign birth or parentage has been won to Christian religion that one stands foursquare for the flag, laws and institutions of the United States.

Work in evangelizing and Americanizing the 4,000,000 people of foreign birth and parentage residing within the territory of the Southern Baptist Convention has been carried on by representatives of the Home Mission Board and the Woman's Missionary Union of the Southern Baptist Convention and the various state mission boards for several years, but this work will be enlarged and intensified as a result of the larger proceeds made available for it through the 75 Million Campaign.

### Important Centers Named.

Among some of the more important centers in the South and Southwest where work of this character is carried on are Richmond and Norfolk, Virginia; Baltimore, Maryland; Louisville, Kentucky; Tampa, Florida; Birmingham, Silver Hill and Mobile, Alabama; Meridian, Miss.; New Orleans and Church Point, La.; San Antonio, Laredo, El Paso and Fort Worth, Texas; Krebs, Okla., and East St. Louis, Herrin, Christopher, Harrisburg, Granite City and other points in Illinois.

### Aims That Are Sought.

Indicating the aims that are sought in this work, they may be briefly summarized as follows:

1. To reach the little children that their feet may be started in the upward path.
2. To inspire the older boys and girls with ideals that will help them to improve their environment and give them strength to cope with temptations.
3. To interest the young people in sane and wholesome pleasures that their energies may be rightly directed.
4. To help the women to be better home-makers, more careful wives and mothers and better Christians.

## RURAL CHURCH WORK WILL BE DEVELOPED

BAPTISTS PLAN TO REACH 15,000 COUNTRY SUNDAY SCHOOLS THIS SUMMER.

### PROVIDE BETTER TEACHERS

75 Million Campaign, With Assistance of Sunday School Board, Makes Extension Program Possible.

DR. I. J. VAN NESS  
Corresponding Secretary Baptist Sunday School Board.

In what is believed to be the most extensive campaign for the development of rural Sunday Schools that has yet been undertaken by any single denomination, the forces of Southern Baptists especially interested in Sunday School work will undertake to reach 15,000 or more rural Sunday Schools of the South and Southwest this summer, announces Dr. I. J. Van

5. To give Christ and an exalted citizenship to the neighborhood.

In addition to the nurseries and playgrounds maintained for the children, clubs and classes are held daily for young and old, the neighborhood houses are open during the winter months from 3 to 6 in the afternoon and four nights in the week from 7 to 9. In addition to the English courses, cooking, sewing, first aid and nursing are taught girls, manual training and other useful courses are given the boys, along with practice in debating; while for the mothers there is instruction in housekeeping, care of the sick, sanitation and food selection. Through the mission Sunday schools, vacation Bible study classes and otherwise a knowledge of the Bible is afforded and the way thus opened for a personal surrender of lives to God.

### Life of Communities Changed.

And in every community where a Good Will Center or other social work has been established by the Christian workers there has come about a marked transformation in the lives of individual members of the community and in the appearance of the homes and general premises. Cleanliness has superseded dirt, happiness has taken the place of sorrow, and hope has come to lighten the faces that were formerly overshadowed by depression and doubt. Little tots who previously wandered through the streets now find pleasure and helpful entertainment in the games, stories and Bible lessons provided at the settlement houses; aimless boys and girls have been fired with zeal and ambition to become useful Christian citizens; mothers burdened with handicaps of heavy work and poverty have taken a new lease on life when they have found that there are those in the world who want to help them to a higher life; and the fathers noting the improvement of the members of their families, have yielded to the refining and uplifting influences that have been thrown about them in the home and the community. The viewpoint of the whole community has been changed and better citizens, from both the patriotic and the religious viewpoint, are the result.

Ness, corresponding secretary of the Baptist Sunday School Board at Nashville.

The work is made possible by the larger funds available from the 75 Million Campaign and will be carried on by the forces of the eighteen states of the Southern Baptist Convention in co-operation with the Sunday School Board. Additional workers will be put on in every state and a large number of Sunday School institutes will be held in the hope of reaching a great majority of the rural Sunday Schools in every state. Normal Sunday School institutes will be held in fifty counties of Tennessee, for instance, and over 500 rural centers will be reached with the better system of Sunday School teaching and methods of administration. Similar methods will be followed in all the states.

### Every State Enlarges Work.

Over \$200,000 a year will be expended on Sunday School field work in the territory of the Southern Baptist Convention, it is announced, and every state organization will greatly enlarge its Sunday School force, giving especial attention to the development of the rural schools.

In order that an adequate number of instructors may be available for carrying on this larger program, a thirty day normal school will be held in Nashville, beginning May 31, in the instruction in which a large regular faculty of Sunday School experts and many special lecturers will be employed.

The Sunday School Board at Nashville has just established a department of Sunday School administration which will deal with all questions of Sunday School organization and equipment. This department will be in charge of Arthur Flake, who has been a member of the field force of the Sunday School Board for quite a while and who was formerly superintendent of the Sunday School of the First Baptist Church of Fort Worth, Tex., said to be the largest Sunday School in the South.

### Build Better Church Houses.

Another department of the Sunday School Board is giving attention to the encouragement of better church houses and better homes in the rural districts, furnishing architects' plans for this purpose and detailed instructions without cost to churches which contemplate buildings along these lines.

## FAREWELL TO MR. AND MRS. MILLER

On Monday evening Mr. and Mrs. John McGrath gave a farewell reception at their home, 518 New York Ave., to Mr. and Mrs. Frank Miller, who are about to leave St. Cloud for their home in Bristol, W. Va. The party consisted of the host and hostess, Mr. and Mrs. Frank Miller, Mr. and Mrs. W. W. Riley, Mr. and Mrs. Frank Lockwood, Miss Winnifred Lockwood, and Miss Virginia Miller.

The evening's entertainment consisted of various games, recitations and story-telling by the host, and many stories and jokes by the guests, all of which caused much mirth, laughter and genuine pleasure to all present. The crowning event of the evening was a most beautiful and palatable feast, furnished by the hostess, which, judging by the looks of satisfaction, the smiles of contentment and happiness that beamed on the faces of all, was certainly appreciated by the party.

Mr. and Mrs. Miller, by their many kindly acts have made many warm friends during their stay in St. Cloud and will be missed very much. But none will miss them more than the host and hostess.

## England's Strike Losses

A profit and loss account of the strikes of the last ten years in the United Kingdom, prepared from government returns, supplemented by details furnished by trade union leaders in the principal industries, shows that the loss to the organized workers alone from stoppage of work due to disputes of all kinds has been equal to \$84,741,000 in wages, not to speak of a vast sum spent in strike pay. Against this, the net gain in wages resulting from disputes is returned as \$13,200,000, leaving a net loss of \$71,531,000.—Chicago Journal.

## FRED B. KENNEY

Candidate for Re-election to the Office of City Clerk and Collector St. Cloud, Florida.

The position of Clerk and Collector is one that should be held only by one fully acquainted with modern business methods and accounting, and also with some knowledge of legal procedure. This fitness for the position can be obtained only by special training and experience.

Before his first election he had received this training at an accredited business school. The experience has been acquired, not only in his service to St. Cloud, but also before coming to this city. This special training, together with his experience acquired during his terms of office, make him the logical candidate for the position.

This special training is also one of the reasons for the report of Special State Auditor, F. B. Hagerman, which was as follows, "All money handled by your Collector has been fully accounted for and your Clerk and Collector, Mr. F. B. Kenney, is well informed on all matters relating to the City's Affairs."

How important is the latter part of this report, can be ascertained by glancing at almost any request for help; only persons with special training and a knowledge of the work will be considered.

Your Vote For

Mr. Kenney

Will Be Appreciated.

## Illness Costs U. S. Wage Earners Billion Dollars Every 12 Months

The annual sick bill of 30,000,000 American wage earners is \$1,000,000,000.

The time clock of the nation shows that each worker, through sickness, loses an average of nine days. This means that the working time of the nation is decreased by more than \$50,000 years.

Half of the billion-dollar sick bill represents wages lost—subtracted from the total of earnings expected to finance the budgets of millions of families. The other half represents the bill for doctors, nurses and medicines. And the total is twice the amount given annually in the United

States for all philanthropic purposes, in normal times.

This is the problem of illness as it is presented by the survey now being made by the Interchurch World Movement.

The survey has formulated a program as a proposal for the co-operative effort of the evangelical churches. An increase in the efficiency and capacity of existing denominational hospitals is the first provision of this program.

Construction of 31 new hospitals is the second. These hospitals include 12 general hospitals for white people; twelve for negroes; one tuberculosis sanitarium for Arizona; four hospitals for incurables and two children's hospitals.

which were responsible for the demolition of the Lens coal region and the infliction of damage which will require from five to ten years to repair.

It is this terrible bill for this damage that has condemned the German nation to the rock pile for the next twenty to thirty years. If it is the honest desire of the German people to see justice done, then why do not they themselves prosecute the parties who issued the criminal orders that have placed a yoke upon the national back? If they continue to whimper at the terms of the Allies rather than punish the men who are responsible for making those terms a necessity the world has no other choice than to conclude that the German people itself is willing to stand sponsor for the crime.—St. Paul Pioneer Press.

### Let's Play Fair

The only regulation of business by legislation should be to establish rules to prevent cheating. The game must be played fair. It would seem that there are laws enough already, but as conditions change it may be necessary to alter or amend them. The inherent difficulty is that the people do not sufficiently understand each other's problems, and it is a very human failing to be suspicious of what we do not understand. That is why the workman demanding higher wages for his labor and the manufacturer charging higher prices for his goods, while justifying their own actions, do not realize the inconsistency in denouncing workmen and manufacturers in other lines from making the same attempts to improve their condition.—Shoe and Leather Reporter.

### Poetic Justice

Our note on Sir Admiral Montague E. Browning, who succeeded in passing his father's relative army rank, recalls a good story told of him when commanding one of our battleships.

A "hard bargain" was brought before Capt. Browning, charged with having broken his leave for more than 100 hours. The evidence being heard, the Captain asked the defender "Have you anything to say in your defense?"

"Nothing, sir," came the reply, "except that to err is human, to forgive divine—Shakespeare."

"Thirty days' detention without the option of a fine—Browning," was the reply if unpleasant rejoined.—London Chronicle.

### Not Properly Equipped

Perhaps I ought to tell you, said the applicant for a position, that I have just finished serving a prison sentence. O, that's all right, said the employer. I won't hold that against you. But wait a minute, what kind of a prison was it?

A model institution, sir. The warden, God bless you, was a father to me. Ah, in that case I'm afraid you won't do. This job is not suited to a hothouse plant. What I want is a man with calloused hands and a corned beef and cabbage appetite.—Birmingham Age-Herald.

### Where He Failed

"I hear you were out late with Curly, the famous inventor."

"Yes, I took him home with me, too."

"Well?"

"But he couldn't invent an excuse that would pass muster with my wife."

## AMERICANS ASKED TO STAY AT HOME

SIGHTSEERS SHOULD KEEP OUT OF EUROPE UNTIL PEOPLE GET ON FEET AGAIN.

### BAPTISTS ENLARGE WORK

Mission Secretary Will Recommend How Evangelistic, Educational and Benevolent Program Can Be Carried Out.

Americans should keep out of Europe, unless they have important business there, until Europeans have had an opportunity to get on their feet again, declares Dr. J. F. Love, secretary of the Foreign Mission Board of the Southern Baptist Convention.

Dr. Love, as chairman of a commission named by the Baptist 75 Million Campaign to visit Europe and make a survey of the mission fields there, has just returned from a five-months' tour of the continent. He says Americans have distributed cash with such a lavish hand in many places on the continent that the people have become convinced that every American has money to throw away and as soon as they spot a citizen from this country they proceed to overcharge him for every thing he buys and every service rendered. Unless Americans forego sight-seeing in Europe for a few years a lot of the natives there will become professional beggars, in Dr. Love's opinion.

### Baptists Suffered Heavily

Along with the other religious denominations Baptists suffered heavy losses of property in Europe during the war, Dr. Love reports, but he found that such Baptists as survived the war remained loyal to their convictions and they are now ready to welcome the aid and co-operation of American Baptists in the rehabilitation of their countries and the propagation of the gospel.

From the contact formed with the Baptists of the chief countries of Europe by these representatives of the Southern Baptist Convention, Dr. Love believes there will ultimately be formed a co-operative alignment of the Baptists of the world that will make them larger factors in world evangelization than they have ever been before.

### Carry on Relief Work

While the program which Southern Baptists will carry on in the European countries which they have not occupied before will not be determined until after the commission has reported to the Foreign Mission Board, members of the commission found crying need for money with which to meet cases demanding immediate relief and called home for funds to be employed in this connection in northern France and Belgium. This money was promptly forwarded and has been distributed through an agency set up in Paris in conjunction with the Foreign Mission Society of the Northern Baptist Convention. Prior to the visit of this commission, missionary work by Southern Baptists in Europe has been confined to Italy and Bohemia. However, the commission visited England, Scotland, France, Belgium, Holland and Italy, but found it impossible to get into Czechoslovakia, the Balkans and Russia at this time.
